SUMMARY

Life Auxiliaries, integral team members dedicated to empowering, facilitating me to maintain my independence in my own home. Consistently delivering personalised support and care, focusing on my individual needs. Being reliable, a driver, delivering care in my home, assisting me in daily routines, maintaining confidentiality. Duties, personal, social, and enabling care to support me, at home and within the community, to help me achieve my short and long-term goals. This involves working respectfully and cooperatively with me and my team. A Life Auxiliary, working alongside their colleagues, provides 24-hour support, including daytime, unsocial hours, weekends, Bank Holidays, and sleep-in shifts.
